

**CITY OF ORANGE
MEMBER OF THE CITY COUNCIL**

JON DUMITRU

AGE: 34

OCCUPATION: Orange County Firefighter Coordinator

Born and raised in Orange, I am honored to be a candidate for City Council. You deserve to be represented by someone who has a passion and respect for our City, understands the issues and is committed to preserving our heritage.

As a professional member of the Orange County Fire Authority, I'll bring the knowledge and experience of public safety that residents of Orange need and deserve.

I'll work extremely hard to preserve our neighborhoods, increase police protection, provide more parks and open space, enhance programs for seniors and youth, and encourage a strong business climate. This must be accomplished in a fiscally responsible manner to protect our tax dollars.

My vision for Orange has earned the endorsements of Mayor Pro Tem Carolyn Cavecche and Councilman Steve Ambriz and many other local elected officials. However, I am most pleased by the support from people living here in Orange.

I am proud the Dumitru family has made Orange our home for my entire life and I pledge to bring my energy, accountability, integrity and hard work to the Council to protect our quality of life.

I'd be honored to have your vote!
